The Homosphie Percival Brundage Director Bureau of the Budget Washington 25, D. C.

Dear Mr. Brundage:

Furnment to the recent request of the International Division of your office, I am forwarding berevith a copy of the document entitled "Survey of NIE Dissemination and Use" in the form in which it was finally exproved by the Intelligence Advisory Committee on 7 August 1950.

In agreeing to release this document, the members of the Intelliconce Advisory Committee requested me to emphasize, at the time I transmitted a copy to you, certain matters with respect to the nature of this survey. In particular, this report is an informal survey, undertaken with the limited goal of establishing the distribution pattern of Fational Intelligence Estimates, and of shadding light on the samer in which they are used. Moreover, I wish to stress that the survey was originally for the internal use of the Board of National Estimates and the Intelligence Advisory Committee.

In view of the nature of this document, as indicated above, I am more that the sembers of the Committee vill appreciate its return when its purpose has been served in your organisation.
